*The front cover is not just a cute play on words. It is about two completely different events taking place in different locations, but both are part of the Wonderful World of Amateur Radio:*

*“Oh, Canada! What a wonderful adventure my husband, Reinhard, DL1UF/K7RGG, and I had during our tour through parts of Western Canada!*

*There was never any question about wanting to take another vacation in Canada, but when we learned of the ‘2019 Canadian National Parks On The Air’ event, our already planned outing to Ohio quickly changed. Don’t tell anyone, but we cancelled our Dayton Hamvention trip for a new and upcoming challenge.”*

*– see page 31 for the rest of the story*

*“Long sleek rowing sculls sit stacked high on their trailers, gleaming in the cool fall morning light surrounding me as I navigate a maze of rowers and piles of heaped rowing gear.*

*I am at the Head of the Trent Regatta in Peterborough, Ontario on the weekend of October 5 and 6, 2019.*

*I am one of the volunteers with the Peterborough Amateur Radio Club (PARC) who are here to provide the race radio communication event support.”*

*– see page 45 for the complete story*
