"The propagation characteristics of the VHF and UHF bands and their wide bandwidth, lead to some very different uses of these bands by Amateurs, when compared to their use of the HF bands... This special issue contains articles on a variety of VHF/UHF topics." – see pages 11, 13, 24, 31 and 52 for our special feature articles.

1867 – 2017: CANADA 150

Special Event Prefixes to celebrate Canada’s Sesquicentennial

VA → CF
VE → CG
VO → CH
VY → CI

- ✓ **Can be used by all all Canadian Radio Amateurs**
- ✓ **Use is optional**
- ✓ **Prefixes may be used at any time from January 1 to December 31, 2017**

Radio Amateurs of Canada has secured permission for all Canadian Radio Amateurs to use special call sign prefixes to celebrate the 150th anniversary of Canada’s Confederation. National, regional and local events will take place throughout 2017 to celebrate the anniversary and Canadian Amateurs will let their counterparts around the world know of our celebration by using the special prefixes. These special prefixes are optional and Amateurs can choose if and when to use the special prefix vs their normal prefix at any time during the year. For more information on Canada150 visit <http://canada.pch.gc.ca/eng/1342792785740>.

The Canadian Amateur is published in Canada six times per year to provide Radio Amateurs, those interested in radio communications and electronics, and the general public with information related to the science of telecommunications.

Articles, reviews, letters, features, suggestions, photographs and essays are welcomed. Manuscripts should be legible and include the contributor’s name, call sign, phone number(s) and addresses (mail, email and packet, as applicable).
