"I have many fond memories of bringing together Amateur Radio operators from across North America. The Convention Organizing Committee wanted to make this the most memorable convention folks had ever attended." – see page 42

"Upon receipt of the code, I noted the odd arrangement of characters, compared to the vowel order in dictionaries." – see page 28

"During WWII, the most common method of locating enemy radio transmissions was through the use of radio direction finding whereby two or more monitoring stations would obtain bearings on enemy transmitters then triangulate the results to obtain a fix." – see page 34

"All the big commercial firms were there with the current crop of new rigs as well as numerous small manufacturers and dealers from the European Union (EU) with a wide variety of products." – see page 48
