Our Cover: The Cover photo featured on this issue of TCA arrived in my Inbox on Thanksgiving weekend – courtesy of Ron McFadyen, VE3YXY, of Perth, Ontario – just before sending TCA to the printer. Perfect timing! Thanks for the great gift Ron! Ron provided the following information: “The HY-Gain TH-11DX, installed by Harold and son Victor of H.C. MacFarlane Electronics of Battersea, Ontario, shines in the fall colours as we enjoy marshmallows in the new firepit.” Stay tuned for more information about Ron’s station in the January-February 2020 TCA (2020!).
