As Canada and the rest of the World slowly emerge from the global pandemic, Amateur Radio and the new RAC Challenge, the return of Field Day and the ability to travel once again (if possible) offer us a reason for hope.

Please see the President's Message on page 6, the Club Corner column on page 59, the RAC Challenge on pages 61-64 and the many pages of this magazine for all the inspirational stories of the "Wonders of Amateur Radio During A Global Pandemic".
